

Weight Watchers® Hot Chocolate Jar

Introducing NEW Weight Watchers Instant Hot Chocolate. The UK's number one weight loss organisation along with Aimia Foods has come up with the perfect combination of guilt-free luxury with its range of delicious, lower calorie hot chocolate drinks.

Available in a 285g jar in classic chocolate flavour this delicious treat contains real chocolate in every serving and can be enjoyed whilst sticking to a healthy eating plan.

With just 0.3g of saturated fat and a Weight Watchers POINTS value of just 1 per cup it does not contain any preservatives, artificial colours or flavourings.

Weight Watchers Hot Chocolate is the perfect treat after a hard day at the office or as a simple quick chocolate fix. Ideal for sharing with friends and colleagues, just add hot water and stir well before sitting back and putting your feet up.

Available from leading retailers nationwide, it can be found on the hot beverages aisle near tea and coffee.
